### **YFL Proudly announces Women's Training Bursary**

The Yukon Federation of Labour, in partnership with the PSAC Area Council and the Yukon Employees' Union, is pleased to announce this new bursary for Yukon women. Women from the communities will have improved access to training opportunities which require travel within the Yukon.

YFL President Alex Furlong says "the expense of leaving your home community to attend training is often a barrier. We hope women living outside the Yukon's major centres will take advantage of the fund and the opportunities it will allow."

Any training provided by a reputable organization with the intent of improving quality of life, assisting family circumstance, advancing education, furthering employment opportunities or fostering community development will be considered. Full details of the program are available at the YFL website, [www.yukonfed.com](http://www.yukonfed.com).
